

## **The Governance Annual Statement**

*Kirk Langley Primary School*

In January 2014 the Department for Education (DfE) published departmental advice in relation to the School Procedures regulations (2013). A number of additional recommendations, not mentioned in the Procedures regulations, were made in the advice document, including reference to the **publication of an annual governance statement**.

*10. It is also good practice for the Board to publish an annual governance statement (as Academy Trusts are required to do through the Accounts Direction) to explain how it has fulfilled its responsibilities - particularly in relation to its core functions, including:*

- The governance arrangements that are in place, including the remit of any committees*
- The attendance record of individual governors at board and committee meetings*
- An assessment of the effectiveness and impact of the board and any committees with details of any particular challenges that have arisen*

Whilst accepting the publication of a governance statement is not mandatory, Derbyshire County Council strongly recommends that it is good practice and an effective way for governors to demonstrate that their accountability to parents, at least annually.

We suggest that governors agree a statement – an example is below – and publish this on their website, perhaps at the end of the summer term each year.
