

Kirk Langley Church of England Primary School

Music Policy

Kirk Langley is a Church of England Primary School and our family believe that 'Every Child Can Shine.' Our visions and values, built on the living Gospel of Christ within daily life, are at the core of everything we do. They underpin our teaching and learning and provide an environment which prepares our pupils in being respectful, confident, thriving citizens.

Daniel 12:3

'Those who have insight will shine brightly like the brightness of the expanse of heaven, and those who lead the many to righteousness, like the stars forever and ever.'

We aim to provide a thriving, inspiring and stimulating learning environment where children achieve the very best they are capable of because all the staff value their different learning styles. Kirk Langley Church of England Primary School is committed to Christian values where children, parents/carers and our community know us by our actions.

Within a Christian ethos we aim to:

- Promote a positive attitude to life-long learning, nurturing the development of self-esteem; leading to aspirational, independent learners that are prepared to be challenged and take risks in a diverse and ever changing world.
- Provide the children with valuable experiences and opportunities, through a broad, balanced and exciting curriculum, where learning is purposeful and engaging.
- Use a variety of teaching strategies and resources effectively and creatively; encouraging each child to progress and attain to the highest possible standards, in relation to their age and ability.
- Strongly believe in the partnership of parental involvement in the education of our pupils.

- Demonstrate and foster respect for ourselves and others within the school, local community and the global community.
- Respect the belief of others and celebrate cultural diversity.
- Encourage spiritual and moral values.
- Explicitly promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs through a 'living' curriculum.
- Value each child as an individual within the school and respect personal beliefs.

Implementation of Policy

- We have used the best research to create a well sequenced and progressive curriculum map containing the key concepts children need to be procedurally fluent and to work and think like professional musicians.

The key concepts in music we plan a progression for are as follows:

- Performing
- Composing
- Appraising

Key Stage One

At Kirk Langley Church of England Primary School, during key stage 1 children listen carefully and respond physically to a wider range of music. They play musical instruments and sing a variety of songs, adding accompaniments and creating short compositions, with increasing confidence, imagination and control. They explore and enjoy how sounds and silence can create different moods and effects.

Key Stage Two

At Kirk Langley Church of England Primary School, during key stage 2 children sing songs and play instruments with increasing confidence, skill, expression and awareness of their own contribution to a group or class performance. They improvise, and develop their own musical compositions, in response to a variety of different stimuli with increasing personal involvement, independence and creativity. They explore their thoughts and feelings through responding physically, intellectually and emotionally to a variety of music from different times and cultures.

Performing skills

At Kirk Langley Church of England Primary School, children will be taught to sing a wide-ranging variety of songs and to use their voices expressively. They should have the opportunity to play tuned and un-tuned instruments with increasing control and should rehearse and perform with others, with an awareness of audience.

Composing skills

At Kirk Langley Church of England Primary School, children will create musical patterns and will be shown how to explore, select and organise musical ideas, recording these in a variety of ways.

Appraising skills

At Kirk Langley Church of England Primary School, children will be given the opportunity to explore and explain their own ideas and feelings about music, using music, dance, expressive language and musical vocabulary. They will analyse and compare sounds and will become confident at suggesting improvements for their own work and that of others.

Listening and applying knowledge and understanding

At Kirk Langley Church of England Primary School, children should be able to listen with concentration and to internalise and recall sounds with increasing aural memory. They will develop a growing awareness of the eight musical elements: pitch, duration, pace, dynamics, texture, timbre, form, silence. They will learn that time and place can influence the way Music is created, performed and heard, that music is produced in different ways and is described through invented and standard notations.

Approach

At Kirk Langley Church of England Primary School, music should be taught throughout the school, establishing cross curricular links where possible, e.g. literacy, early years, maths, physical and creative development. As well as music lessons in class, whole school singing sessions take place weekly. Children are given the opportunity to listen to a range of music at the beginning and end of our whole school Acts of Collective Worship and hymns.

At Kirk Langley Church of England Primary School, we have reviewed our curriculum map to ensure it is well sequenced and progressive.. This serves as a base to aid and enhance our teaching of music.

Differentiation

At Kirk Langley Church of England Primary School, children with a particular interest or aptitude in music can be given the opportunity to extend their education in a variety of ways, for example, instrumental performances in assembly. Derbyshire Music partnership teachers are used to teach violin, cello, drums and guitar lessons in school. We also use the Partnership to teach singing.

Children experiencing difficulties can be given extra encouragement by working in a small group with the teacher or with a more musically able child.

Assessment

At Kirk Langley Church of England Primary School, assessment will form an integral part of the teaching and learning of Music. This will be done by observing children working and performing, by listening to their responses and by examining work produced in relation to the expectations set out on our curriculum maps.

Teachers assess the children's work in music both by making informal judgements as they observe them during lessons and by completing formal assessments of their work, gauged against specific end points set out for each year group.

Resources

At Kirk Langley Church of England Primary School, we have a range of music equipment and resources that can easily be moved around the school. There are a number of tuned instruments and we have a piano in the hall and keyboards available for use.
