29th January 2024

Dear Parents

On-Line Safety: On we will be taking part in National Safer Internet Day on 6th February 2023.

The theme this year is '**Inspiring change? Making a difference, managing influence and navigating change online**'. The day is a great opportunity to spark a conversation about the safe and responsible use of technology, and for children to think about creating a better internet for the future.

The children will be taking part in activities to raise awareness about how to stay safe on-line and report any concerns or worries. Mr Worrall our Police Community Support Officer is returning to the school on Monday 5th February to speak to the children about how to stay safe online.

At 3.15pm, he is also going to undertake a Workshop for Parents to support families in keeping their children safe on line. This will begin at 3.15pm in the School Hall.

The children of those attending will be placed in our After School Club until Mr Worrall finishes. The meeting will be approximately 30 minutes.

Yours sincerely,

J Stevenson
Headteacher
