

‘A School Where Every Child Can Shine.’

KS1 & KS2 statutory Relationships & Health Education

At Kirk Langley church of England Primary School, we believe that promoting the health and wellbeing of our pupils is an extremely important part of their overall education. We do this through our Personal, Social, Health & Economic education curriculum (PSHE), which is taught in every class from Reception to Year 6. This is taught through 3 main themes: health and wellbeing, relationships and living in the wider world.

As you may be aware Relationships and Health Education will become compulsory in all primary schools and Relationships and Sex education in all secondary schools in 2020 2021. We have reviewed our PSHE curriculum to ensure that Relationships & Health Education are incorporated successfully into our current plans.

As part of the process, we would like to consult with parents to enable you to give your views and ask any questions. You will find the proposed Health and Relationships Education curriculum overviews on the website in PSHE. Please be advised that with every subject, the lessons on the overview may be moved around and taught at different points in the year to suit the content of the curriculum and needs of the year group.

It is important that your child receives the best possible ‘Relationships and Health Education’ to safeguard them during their school years and thereafter. We know that it is of vital importance that those teaching your children (whether it be parent or class teacher) are well equipped to implement the learning in a safe and respectful environment.

Staff at Kirk Langley Church of England Primary School will continue to extend and develop effective learning sequences to implement the new curriculum. We are also happy to support parents and carers in any way that we can.

If you have any questions regarding the updated PSHE curriculum which includes the new Relationships and Health Education components, please do not hesitate to email me during the consultation period (up to July 2021) using this email address: headteacher@kirklangley.derbyshire.sch.uk.

Kind regards,
Jayne Stevenson
Headteacher
