

## Kirk Langley Church of England Primary School

*"A School Where Every Child Can Shine."*

# PSHE/RHE

Kirk Langley is a Church of England Primary School and our family believe that 'Every Child Can Shine.' Our visions and values, built on the living Gospel of Christ within daily life, are at the core of everything we do. They underpin our teaching and learning and provide an environment which prepares our pupils in being respectful, confident, thriving citizens.

*Daniel 12:3*

*'Those who have insight will shine brightly like the brightness of the expanse of heaven, and those who lead the many to righteousness, like the stars forever and ever.'*

We aim to provide a thriving, inspiring and stimulating learning environment where children achieve the very best they are capable of because all the staff value their different learning styles. Kirk Langley Church of England Primary School is committed to Christian values where children, parents/carers and our community know us by our actions.

### **Within a Christian ethos we aim to:**

- Promote a positive attitude to life-long learning, nurturing the development of self-esteem; leading to aspirational, independent learners that are prepared to be challenged and take risks in a diverse and ever changing world.
- Provide the children with valuable experiences and opportunities, through a broad, balanced and exciting curriculum, where learning is purposeful and engaging.
- Use a variety of teaching strategies and resources effectively and creatively; encouraging each child to progress and attain to the highest possible standards, in relation to their age and ability.

- Strongly believe in the partnership of parental involvement in the education of our pupils.
- Demonstrate and foster respect for ourselves and others within the school, local community and the global community.
- Respect the belief of others and celebrate cultural diversity.
- Encourage spiritual and moral values.
- Explicitly promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs through a 'living' curriculum.
- Value each child as an individual within the school and respect personal beliefs.

# Personal Social Health Education and Relationship Education

## – Intent Implementation Impact

### Intent

Our intention is that when children leave our Church of England Primary School, they will do so with the knowledge, understanding and emotions to be able to play an active, positive and successful role in today's diverse society.

We want our children to have high aspirations, a belief in themselves and realise that anything is possible if they put their mind to it. In an ever-changing world, it is important that they are aware, to an appropriate level, of different factors which will affect their world and that they learn how to deal with these so that they have good mental health and well-being.

Our PSHE/RHE curriculum develops learning and results in the acquisition of knowledge and skills which will enable children to access the wider curriculum and prepare them to be a global citizen now and in their future roles within a global community.

It promotes the spiritual, moral, cultural, mental and physical development of pupils, preparing them for the opportunities, responsibilities and experiences for later life.

Our Relationships and Health Education enables our children to learn how to be safe, and to understand and develop healthy relationships, both now and in their future lives.

### Implementation

EYFS - In the Foundation Stage, PSHE and citizenship is taught as an integral part of topic work and is embedded throughout the curriculum. The objectives taught are the Personal, Social and Emotional Development statements from 'Development Matters in the EYFS' and the PSED Early Learning Goals. Reception also uses the resources for the PSHE Association which the school subscribes to.

Key Stage 1 and Key Stage 2 - At Key Stage 1 and 2, PSHE/RHE is taught through a clear and comprehensive scheme of work in line with the National Curriculum. We ensure we cover the Health and Well-Being, Relationships and Living in the Wider World Learning Opportunities set out in the PSHE Association's Programme of Study, which comprehensively cover the statutory Health Education and Relationships Education guidance.

Pupils are taught PSHE which is a spiral, progressive scheme of work, covering all of the above and 'aims to prepare children for life, helping them to know and value who they are and understand how they relate to other people in this ever-changing world'. There is a strong emphasis on emotional Literacy, building resilience and nurturing mental and physical health. It includes mindfulness to allow children to advance their emotional awareness, concentration and focus.

At Kirk Langley Church of England Primary School, in addition to Relationships Education, we also teach aspects of Sex Education that is covered in our Science Curriculum. Alongside this we respect different kinds of relationships.

It also identifies links to British Values, and SMSC and is taught in such a way as to reflect the overall aims, values, and ethos of the school.

### Wider Curriculum

- We believe that focusing on developing a 'Growth Mindset' in our children will help them to build resilience, independence and confidence; embrace challenge; foster a love of learning; and increase their level of happiness. We do this through the language we use in class, praising children for their efforts, and using language to encourage children to change their way of thinking. This supports both our school and PSHE aims and values, and we focus on Growth Mindsets in all aspects of school life.
- PSHE/RHE, including SMSC, is an integral part of the whole school curriculum, and is therefore often taught within another subject area.
- Visitors such as emergency services complement our PSHE curriculum to offer additional learning.
- We encourage our pupils to develop their sense of self-worth by playing a positive role in contributing to school life and the wider community. We challenge all of our pupils to look for opportunities to show the school values of faith, hope and love.

- Acts of Worship are linked to PSHE, British Values and SMSC and cover any additional sessions that would benefit the whole school.

### **Impact**

By the time our children leave our school they will:

- be able to approach a range of real life situations and apply their skills and attributes to help navigate themselves through modern life
- be on their way to becoming healthy, open minded, respectful, socially and morally responsible, active members of society
- appreciate difference and diversity
- recognise and apply the British Values of Democracy, Tolerance, Mutual respect, Rule of law and Liberty
- be able to understand and manage their emotions
- be able to look after their mental health and well-being
- be able to develop positive, healthy relationship with their peers both now and in the future.
- understand the physical aspects involved in RHE at an age appropriate level
- have respect for themselves and others.
- have a positive self esteem
