

Kirk Langley CE Primary PE and Sport Premium Action Plan 2020-2021

Objective:

To ensure all pupils leaving Kirk Langley CE Primary School are physically literate and possess the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and are 'secondary ready' in order to continue this participation for lifelong enjoyment in physical activity and sport.

During this academic year we have been in a Recovery Curriculum Plan. The school identified the need to extend break and lunch for Positive Play and Physical interaction as well as Physical Education. The PE lead led Continued Professional Development meetings for Intent, Implementation, and Impact in the Autumn Term 2020. Two HLTA staff members also supported Positive Play activities across the school, and we purchased resources to support this.

Across 2020/2021, due to the Covid 19 pandemic restrictions no swimming has been allowed. On January 4th, 2021 Schools were only open to children of Key Workers and Vulnerable.

Although, the PE curriculum continued remotely and face-to-face every week up to Monday 8th March 2021 (ALL children returned) the lessons were modified to enable those at home to participate.

We accessed the AVVSP remote lessons and RS Sports lessons.
