Kirk Langley is a Church of England Primary School and our family believe that 'Every Child Can Shine.' Our visions and values, built on the living Gospel of Christ within daily life, are at the core of everything we do. They underpin our teaching and learning and provide an environment which prepares our pupils in being respectful, confident, thriving citizens.

*Daniel 12:3*

*'Those who have insight will shine brightly like the brightness of the expanse of heaven, and those who lead the many to righteousness, like the stars forever and ever.'*

We aim to provide a thriving, inspiring and stimulating learning environment where children achieve the very best they are capable of because all the staff value their different learning styles. Kirk Langley Church of England Primary School is committed to Christian values where children, parents/carers and our community know us by our actions.

**Within a Christian ethos we aim to:**

- Promote a positive attitude to life-long learning, nurturing the development of self-esteem; leading to aspirational, independent learners that are prepared to be challenged and take risks in a diverse and ever changing world.
- Provide the children with valuable experiences and opportunities, through a broad, balanced and exciting curriculum, where learning is purposeful and engaging.
- Use a variety of teaching strategies and resources effectively and creatively; encouraging each child to progress and attain to the highest possible standards, in relation to their age and ability.
- Strongly believe in the partnership of parental involvement in the education of our pupils.
- Demonstrate and foster respect for ourselves and others within the school, local community and the global community.
- Respect the belief of others and celebrate cultural diversity.
- Encourage spiritual and moral values.
- Explicitly promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs through a 'living' curriculum.
- Value each child as an individual within the school and respect personal beliefs.

## Protocol on Communication with Parents

### Protocol on Communication with Parents

Our staff are committed to providing a high quality education to your child, and constantly improving their learning. As part of this, communication with parents is very important to us and we always strive to ensure that we communicate well with parents.

### How we communicate

Depending on the nature of information or issue being discussed, we typically communicate with parents through the following means:

- Text Message
- The school website (where the information is relevant to all parents)
- The information board in the school playground (where the information is relevant to all parents)
- Letters (in writing)
- In person (though a face-to-face meeting)

In addition, the Parent Liaison member of staff should usually be in the playground at 8.45 (10 minutes before the bell) during which time any quick messages can be communicated to them. However, should parents wish to have a longer conversation it is important that they make an appointment to speak to the teacher.

It is very important that in the interests of the children in the class, the teacher is able to take the class to the classroom as soon as possible after the morning bell goes at 8.55 so that children can begin their learning.

It is not our policy to expect teachers and teaching assistants to communicate with individual parents via email as this becomes time consuming and untenable over time; and therefore can be detrimental to the day to day running of the school and ensuring that staff are working in the best interests of all pupils according to their role. However, emails as usual can be sent to [info@kirklangley.derbyshire.sch.uk](mailto:info@kirklangley.derbyshire.sch.uk) and [headteacher@kirklangley.derbyshire.sch.uk](mailto:headteacher@kirklangley.derbyshire.sch.uk)

### Resolving Concerns

We always aim to work harmoniously with parents/carers in the best interests of their children and to deal with any issues that may arise in a prompt and professional manner. Most issues can be quickly and easily resolved through effective communication and working in partnership.

Parents have a right to expect the best for their children and they have a right to express their concerns, though at the same time, teachers and pupils must be allowed to work and learn in a safe and secure environment.

If parents do raise a concern, an initial response or acknowledgment should usually be provided to parents within forty-eight working hours. This will then be followed up in whatever manner is appropriate and agreed (which may include arranging an opportunity to find out more details).

Parents are encouraged to liaise with the class teacher initially, outside teaching hours at a time mutually agreed. The next step would be to arrange a meeting with the relevant member of the senior leadership team, which can be arranged by calling the school office.

### Acceptable Behaviour and Working in Partnership

We want to foster a community where people are treated with respect and courtesy. It is important that parents do not approach a child other than their own about a concern. It is also important that parents do not usually try to address their concerns directly with other parents where those concerns relate to incidents between children that happen in the school.

Under our school's commitment to safeguarding and Child Protection, parents/carers cannot enter the classroom/corridor areas without a member of staff. Pupils may be changing for clubs or PE sessions and this would compromise both safeguarding and their privacy.

We are happy to meet with parents to discuss and try to resolve concerns. However, raised voices, aggression, unnecessarily accusatory language, swearing, or threatening behaviour towards staff, pupils or other parents will result in termination of the meeting/or in removal from the premises. In serious cases the police may be called.

Similarly, we will not tolerate confrontational or inappropriate behaviour in public spaces around the school (such as the corridor) where this behaviour could potentially be witnessed by pupils.

In the event of raised voices, aggression, swearing or threatening behaviour, parents will be warned in writing that a repeat of the behaviour will result in a ban from the school site.

In the event of a repeat of behaviour, or in serious cases during the first incident, the headteacher will write to the parent imposing a ban from the school site. The ban will range in length depending on the seriousness of the behaviour. Parents will be informed in the banning letter of their right to appeal the ban through writing to the Chair of Governors.
