Kirk Langley Church of England Primary School

Spiritual, Moral, Social and Cultural (SMSC) Policy

Kirk Langley is a Church of England Primary School and our family believe that 'Every Child Can Shine.' Our visions and values, built on the living Gospel of Christ within daily life, are at the core of everything we do. They underpin our teaching and learning and provide an environment which prepares our pupils in being respectful, confident, thriving citizens.

Daniel 12:3

'Those who have insight will shine brightly like the brightness of the expanse of heaven, and those who lead the many to righteousness, like the stars forever and ever.'

We aim to provide a thriving, inspiring and stimulating learning environment where children achieve the very best they are capable of because all the staff value their different learning styles. Kirk Langley Church of England Primary School is committed to Christian values where children, parents/carers and our community know us by our actions.

Within a Christian ethos we aim to:

- Promote a positive attitude to life-long learning, nurturing the development of self-esteem; leading to aspirational, independent learners that are prepared to be challenged and take risks in a diverse and ever changing world.
- Provide the children with valuable experiences and opportunities, through a broad, balanced and exciting curriculum, where learning is purposeful and engaging.
- Use a variety of teaching strategies and resources effectively and creatively; encouraging each child to progress and attain to the highest possible standards, in relation to their age and ability.
- Strongly believe in the partnership of parental involvement in the education of our pupils.
- Demonstrate and foster respect for ourselves and others within the school, local community and the global community.
- Respect the belief of others and celebrate cultural diversity.
- Encourage spiritual and moral values.
- Explicitly promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs through a 'living' curriculum.
- Value each child as an individual within the school and respect personal beliefs.

Kirk Langley Church of England (VC) Primary School promotes a Christian ethos and promotes the teachings of Jesus.

We acknowledge and embrace The Church of England's vision for education taken from John 10.10, and our aim is to offer our children "life in all its fullness".

Our vision statement of "Every Child Can Shine" is an essential element in achieving this objective. Staff and Governors recognise that our individual pupils' spiritual, moral, social and cultural development plays a significant role in their overall education and their ability to learn and achieve.

We therefore aim to provide an education that provides pupils with opportunities to explore and develop their own beliefs, spiritual awareness, high standards of personal behaviour, a positive caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of other cultures.

Staff plan opportunities throughout the curriculum for pupils' spiritual, moral, social and cultural development. There are regular opportunities for discussion and personal reflection.

The integrity and spirituality of pupils' own faiths and backgrounds will be respected and explored.

The diversity of spiritual traditions will be recognised, and all pupils will be given opportunities to discuss alternative views.

All adults will model and promote expected behaviour, treating all people as unique and valuable individuals and showing respect for pupils and their families. The school community will be a place where pupils can find acceptance for themselves as unique individuals, and where forgiveness and the opportunity to start again is fundamental to the ethos of the school.

Pupils should learn to differentiate between right and wrong in as far as their actions affect other people.

They will be encouraged to value themselves and others.

Pupils should understand the need for rules and the need to abide by rules for the good of everyone. School and class room 'Golden' rules should reflect, reiterate, promote and reward acceptable behaviour and provide opportunities to celebrate pupils' work and achievements.

Our school aims to ensure:

- * That all stakeholders are aware of our values and principles as they relate to the SMSC development of our pupils.

The elections of School Councillors,

- The Rule of Law

Kirk Langley Church of England (VC) Primary begin by teaching the necessity of rules.

Children understand that our rules are governed by the Golden Rules.

As children develop they are taught that rules in the community, wider community and the country are Laws.

Within school pupils are encouraged to express their personal opinions in a climate of safety and respect for others.

The opportunity to express themselves, their beliefs and opinions are promoted through our daily curriculum and extensive extra-curricular activities.
