With AVSSP

Outside of our work in schools and competitions, AVSSP work closely with a number of fantastic community sports clubs within Amber Valley. As an organisation we work hard to ensure that children are being as active as possible and whilst we manage that in schools, we're also aware that it's just as important outside of school. Take a look at this newsletter to find out about some of the clubs that are available to you.

You can also head over to our website www.avssp.co.uk or contact anna@avssp.co.uk for more information on any clubs.
