Kirk Langley is a Church of England Primary School and our family believe that 'Every Child Can Shine.' Our visions and values, built on the living Gospel of Christ within daily life, are at the core of everything we do. They underpin our teaching and learning and provide an environment which prepares our pupils in being respectful, confident, thriving citizens.

Daniel 12:3

'Those who have insight will shine brightly like the brightness of the expanse of heaven, and those who lead the many to righteousness, like the stars forever and ever.'

We aim to provide a thriving, inspiring and stimulating learning environment where children achieve the very best they are capable of because all the staff value their different learning styles. Kirk Langley Church of England Primary School is committed to Christian values where children, parents/carers and our community know us by our actions.

Within a Christian ethos we aim to:

- Promote a positive attitude to life-long learning, nurturing the development of self-esteem; leading to aspirational, independent learners that are prepared to be challenged and take risks in a diverse and ever changing world.
- Provide the children with valuable experiences and opportunities, through a broad, balanced and exciting curriculum, where learning is purposeful and engaging.
- Use a variety of teaching strategies and resources effectively and creatively; encouraging each child to progress and attain to the highest possible standards, in relation to their age and ability.
- Strongly believe in the partnership of parental involvement in the education of our pupils.
- Demonstrate and foster respect for ourselves and others within the school, local community and the global community.
- Respect the belief of others and celebrate cultural diversity.
- Encourage spiritual and moral values.
- Explicitly promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs through a 'living' curriculum.

- Value each child as an individual within the school and respect personal beliefs

Charging and Remission Policy

The 1988 Education Act requires all governing bodies to have a policy for charging for school activities. Ours is laid out below:

- The policy of the governors is to ask parents to contribute voluntarily to transport, admission and incidental charges for visits during school hours. This includes visits which form part of the National Curriculum or RE.
- Where an activity involves one or more nights away from home, whether in school or out of school hours, the governors will levy a charge for board and lodging. Pupils of parents in receipt of Income Support or Family Credit will have their board and lodgings charge remitted.
- Charges will be made for activities which take place 'wholly or mainly' outside school hours in accordance with the DFEE circular 2/89 which is available for inspection in school.
- The governors will ensure that no pupil is disadvantaged by their parents' inability to pay when charges are made.
- The governors will require parents to pay for damage to school property for which their children are responsible, where appropriate.
- A charge may be levied for materials removed from school as a result of project work, art, technology, cookery etc, where the parents have indicated a wish to own the finished article.
- The Headteacher and Chair of Governors together retain the right to decide any issue over the implementation of this charging policy in any particular circumstances.
 - Lettings are not currently performed. Should lettings be considered in the future the school support lettings calculator would be referred to in order to calculate the lettings charge applicable.
